

St Hymer
18.5 km - 213 m

The map shows a detailed topographic view of the St Hymer region. A blue line marks a hiking route starting from a red dot at the top center, passing through St-Hymer, and ending near the bottom left. A pink line marks the GR 26 trail. The map includes numerous place names, contour lines, and a scale bar indicating 400m and 1:18000.

St Hymer
18.5 km - 213 m

The map shows a detailed topographic view of the St Hymer region. A blue line marks a hiking route starting from a red dot at the top center, passing through several valleys and hills, and ending near the bottom left. A pink line indicates the GR 26 trail, which follows a more elevated path along the right side of the map. The terrain is characterized by numerous contour lines and several water features, including the 'Ruisseau de la Fontaine Magard' and 'Ruisseau de la Barzinne'. Various place names are scattered throughout, such as 'St-Hymer', 'le Torquesne', 'le Mordouet', and 'le Carrefour de la Grande Bruyère'. A scale bar at the bottom right shows a distance of 400 meters and a scale of 1:18000.

St Hymer
18.5 km - 213 m

The map shows a detailed topographic view of the St Hymer region. A blue line marks a hiking route that starts near St Hymer, goes south through the Bois du Mirallan, and then follows the Ruisseau de la Fontaine Magard. A pink line indicates the GR 26 trail, which runs along the eastern edge of the map. The map is covered with contour lines and numerous place names, including St Hymer, le Torquesne, and various hamlets like la Grande Cour and le Mordouet. A scale bar at the bottom right shows 400 meters and a scale of 1:18000.
